

The AI Automation Code For Affiliate Marketers

The Checklists

Autopilot Affiliate Review Videos Checklist

- ☐ Select an AI video creation tool (Pictory, InVideo, or Synthesia)
- ☐ Use AI to generate a review script for your chosen product
- ☐ Add screenshots, product images, or stock footage into the tool
- ☐ Choose a voiceover style or AI avatar if needed
- ☐ Render the video and review quality (tone, pacing, visuals)
- ☐ Upload the video to YouTube or your preferred platform
- ☐ Add your affiliate link in the description and pinned comment
- ☐ Create an AI-generated thumbnail for better clicks (optional)
- ☐ Schedule the video for publishing at optimal times
- ☐ Monitor engagement and replicate the process for more products
