

The AI Automation Code For Affiliate Marketers

The Checklists

Autopilot Content Repurposing Checklist

- ☐ Choose a repurposing tool (Repurpose.io, Missinglettr, etc.)
- ☐ Connect it to your main content source (blog, YouTube, podcast, etc.)
- ☐ Use AI to generate alternate formats (emails, social posts, scripts, etc.)
- ☐ Define publishing channels for each format (Facebook, Instagram, LinkedIn, etc.)
- ☐ Connect a scheduling tool (Buffer, Publer, or Hootsuite)
- ☐ Set posting frequency for repurposed content
- ☐ Test formatting to ensure posts look correct on each platform
- ☐ Add affiliate links or CTAs into repurposed content
- ☐ Automate approval or "ready-to-publish" notifications for review (optional)
- ☐ Review performance data and refine AI prompts monthly
