

The AI Automation Code For Affiliate Marketers

The Checklists

Autopilot Customer Interaction Checklist

- ☐ Choose a chatbot or messaging tool (ManyChat or Tidio)
- ☐ Connect the tool to your website, Facebook page, or messenger platform
- ☐ Use AI to create responses for common customer questions
- ☐ Build automated flows that recommend affiliate products
- ☐ Integrate with your email service for tagging and follow-up
- ☐ Set up triggers for bonus delivery or product recommendations
- ☐ Test chatbot conversations to ensure smooth flow
- ☐ Add a "talk to a human" option for complex questions
- ☐ Schedule periodic AI updates to keep responses current
- ☐ Monitor analytics to refine and improve interactions
