

The AI Automation Code For Affiliate Marketers

The Checklists

Autopilot Niche Research And Discovery Checklist

- ☐ Select a trend-tracking tool (Exploding Topics, Google Trends, etc.)
- ☐ Set up alerts for keywords related to your niche
- ☐ Connect alerts to Zapier, Make, or n8n to automate data collection
- ☐ Feed collected data into a spreadsheet or dashboard
- ☐ Use AI (ChatGPT, Claude, etc.) to summarize findings
- ☐ Highlight products, sub-niches, or keywords worth testing
- ☐ Cross-check opportunities against affiliate networks for offers
- ☐ Automate weekly or monthly research reports to your inbox
- ☐ Create AI-generated content ideas based on new trends
- ☐ Decide which opportunities to pursue and plug into your content calendar
