

# The AI Automation Code For Affiliate Marketers

## The Checklists

# Autopilot Outreach Checklist

- ☐ Choose an outreach tool (Instantly.ai or Lemlist)
- ☐ Build or import a list of potential partners, bloggers, or influencers
- ☐ Use AI to generate personalized outreach emails or messages
- ☐ Set up automated follow-up sequences in your outreach tool
- ☐ Connect to a CRM or spreadsheet to track responses (optional)
- ☐ Test your first batch of outreach for deliverability and personalization
- ☐ Automate sending on a schedule (daily or weekly)
- ☐ Use AI to draft quick replies to positive responses
- ☐ Track conversion rates (replies, partnerships, backlinks)
- ☐ Refine prompts and outreach templates based on results
