

# The AI Automation Code For Affiliate Marketers

## The Checklists

# Autopilot Social Media Checklist

- ☐ Pick 1-3 social platforms where your audience hangs out most
- ☐ Connect a scheduling tool (Publer, Buffer, or Missingletter)
- ☐ Use AI to generate posts, captions, and hashtags
- ☐ Create graphics or short-form videos with AI tools (optional)
- ☐ Upload content into your scheduler in batches
- ☐ Set posting frequency (daily, weekly, etc.)
- ☐ Link posts back to your blog, opt-in, or affiliate offers
- ☐ Review scheduled posts to confirm tone and accuracy
- ☐ Enable autopilot posting across platforms
- ☐ Monitor analytics and refine AI prompts for better results
